

NOTICE OF CHANGE

Flux A/S
Industrivangen 5
4550 Asnaes
Denmark

Change Type: Notification Only

Raised Date 05-02-2019

Customer: ALL

Effect. Date 05-02-2019

Contract:

Project:

Impact: None

Parts Affected: All parts using 3F3

Obsolescence ☒ 3F3 material

Last Buy ☐

Reference: NOC-19-014

Details of Change

Ferroxcube and no longer manufacturing 3F3 ferrite. Ferroxcube has listed the material as class 1 obsolete/support.

Not acceptable for new designs. Samples not available. Ferroxcunbe will provide susbsitute materials for samples and mass production. Existing P/N should not be offered to new customers/projects. No new SAP items. Please prepare customers for phased out

This issue was communicated earlier via NOC 17-002

Justification

Ferroxcube recommends 3F36 for application freq 300-1000kHz and 3C96 for <300Hz
